The People's Quest for Leadership in Church and State

Frank Brennan SJ

In these reflections on leadership in Church and State, Frank Brennan states ideals and proposes practical challenges in addresses ranging from his non-partisan Light on the Hill address to the Australian Labor Party after the 2013 federal election to his address to the representatives of the worlds Jesuit universities. He reflects on the leadership of past prime ministers Gough Whitlam and Malcolm Fraser. He offers insights into tested leadership with his ANZAC Centenary Address in the Harvard Memorial Chapel. He challenges church leaders to be more transparent and compassionate in their responses before the Royal Commission into Institutional Responses to Child Sexual Abuse. He draws inspiration from leaders like Pope Francis, El Salvadors Archbishop Oscar Romero and Redferns Fr Ted Kennedy. Frank writes with the conviction that we the people are seeking spiritual and political leaders who can inspire us to dedicate ourselves to taking up the burdens of the fallen in the Great War and, with the same high courage and steadfastness with which they went into battle, to setting our hands to the tasks they left unfinished (some of which they could not possibly have imagined a century ago), and giving our utmost to make the world a better and happier place for all people, through whatever means are open to us. As well as being bloodied and tested, our new leaders need to be nurtured, encouraged, and espoused. They need strong moral contours to navigate the modern demands of leadership when taking on the big issues like climate change and entrenched inequality.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed

by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
