

24 recipes you can make in 30 minutes or less

Peg Bracken of *I Hate To Cook* says it best. Some people are born to bake, boil, and lovingly tend to food, and they do it willingly. Then there are those among us who are born to burn, break, and destroy food--and would rather pull out our own wisdom teeth than have to cook a meal. That is why The Alive Experience came up with 24 Healthified recipes in 30 minutes or less. The emphasis is on simple, healthy, cut as many corners and spend as little time in the kitchen as humanly possible foods. These recipes have not been tested by experts. But have been tested by clients, friends, and family. That is why they are valuable. Experts in their sunny spotless test kitchens can make anything taste good. But now YOU can make these healthy dishes taste good too.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
