

The Power of a Praying Husband Deluxe Edition

Stormie Omartian's bestselling *The Power of a Praying(R)* series (more than 28 million copies sold) is rereleased with fresh new covers and new material to reach a still-growing market of readers eager to discover the power of prayer for their lives. In this deluxe edition of *The Power of a Praying(R) Husband*, beautifully bound with a padded cover, Stormie helps you pray even more effectively for your wife. By sharing stories and examples from her own marriage, she shares how you can intercede for your wife in areas where she longs for your prayers, especially in her priorities: emotions, motherhood, fears, sexuality. With comments from well-known Christian men and a foreword by Stormie's husband, multi-Grammy winning music producer Michael Omartian, this is the perfect gift for any man wanting to develop the discipline of prayer.

Abravanel's *World of Torah*, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's *World of Torah: Bereshit* was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's *World of Torah: Shemot Volume I* covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's *World of Torah: Shemot Volume II* concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
