

HE SPOKE I WROTE

From scoffer to believer in the blink of an eye. From one saying, Youve all been duped, there is no God, to down on my knees saying, My Lord and my God. As a brand new Christian, the author took a class on Spiritual Gifts, and immediately knew she wanted all that God had to offer. So, she began praying daily for a gift. One night as she got into bed, a bright white light filled her room. And, out of that light boomed a voice that she knew instantly. It said, Get up and write. So she got up, and sat at her desk with pen and paper ready. Then His words began, and she wrote as fast as she could, even using some words that she did not know. After hours of writing, it became clear that this was the gift she had been seeking. And with that revelation, the Light went out. These poems are Gods gift to one who needed His touch. May they open your heart to the joy of His presence, and the assurance that if you seek God, and listen, you will hear His voice. Be still, and know that I am God. Psalm 46:10 NKJ

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
