

Names Of Christ (Names of... Series)

Lily of the Valley. Bright and Morning Star. Rose of Sharon. Author of the Faith. The Lord Jehovah. Friend of Sinners. Son of Man. King of Kings. What does Christ mean to you? When you consider His person, His work, and His words, are you struck by the depth and complexity, the richness and incalculable beauty of who He is? This classic study, revised for today's reader, examines the many names of Christ, more than 300 in all, each revealing an intimate portrait of the Savior. In this new edition, devotional prayers accompany each name, helping you meditate on the character and person of Jesus Christ. This book is an invaluable resource to any library and is sure to enrich your personal devotional time. Names of Christ follows Names of God in a classic trilogy designed to help contemporary Christians better understand the glory, majesty, and power of the triune God.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
