

Alzheimers Trivia & Reminiscence (Trivia Excursions for the Young at Heart, Volume 4)

TRIVIA EXCURSIONS FOR THE YOUNG AT HEART Volume 4 ALZHEIMERS TRIVIA & REMINISCENCE The thirty units comprising this volume have been carefully crafted for, and successfully tested with, the special care residents with whom the writer worked at the time of this writing. These units have been shared with others who have enjoyed experiencing them with their special care residents and who have offered suggestions. Each resident is experiencing a different state in his/her disease so responses will vary within a group at any given time. Each resident has his/her own personality, interests, education, life experiences, and preferences. The disease will continually and subtly alter these; however, those characteristics are among those that have helped shape the memories of each resident. It is those wonderful memories and enduring experiences that we wish to bring forth. It is those that will allow the residents to enjoy themselves during those moments. Please do not feel that you must follow the list of questions or statements of a particular unit in order. Feel free to skip around the unit to find what touches a chord your residents at that particular moment. Perhaps a particular question or statement can be used as a springboard to elicit a brief conversation of interest to a resident. Encourage residents to share. Be truly interested in what they are saying. Ask questions to encourage the conversation to continue a while if appropriate. These, of course, can be used as a one-on-one in a facility or in the home.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
