

## Sumerfords Autumn

Four brothers, four very different paths... One heir With three older brothers, Ludovic expects no inheritance, no sympathy and no surprises. He has taken to a life of secret smuggling as his only source of income. Meanwhile the Sumerford home is one of brooding unease. Each of the four brothers has his own dark agenda and protects his secrets. Yet amid the conflict, Ludovic finds love, unexpected and passionate. Alysso does not at first appear to be his match, but he is determined to find a way to keep her. Yet these are dark years in England's history and with the first of the Tudor dynasty on the throne, the fledgling rule is under threat from other claimants to the crown. One of the Sumerford brothers supports the pretender Perkin Warbeck and gradually draws Ludovic into the conspiracy. Treason, if discovered, means certain death but when escaping from one danger, the twists of mystery and subterfuge can lead to others. Following arrest, imprisonment and torture in the Tower, Ludovic seems likely to lose his very minor fortune, his barely awakening romance, and possibly his worthless life. But once again, not everything is as predictable as it would seem.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
