

Behind Locked Doors: A History of the Papal Elections

Since 1600, whenever a Pope dies, the Cardinals of the Roman Catholic Church convene in Rome to elect a successor. The Papal Conclave is an event like no other. Highly secret and conducted behind the locked doors of the Sistine Chapel, it happens about eight times every century. It is an event that has evolved over the centuries and is always filled with high drama: cardinals meeting en masse in their scarlet robes, throngs of the faithful standing watch in St. Peter's Square, the black or white smoke billowing from the chimney signalling the election of a new Pontiff. Since secrecy was not heavily invoked until the twentieth century, there is a vast store of rich material to work from and Fred Baumgartner uses it to its utmost, detailing the bickering and blatant politicking that goes on behind the locked doors of the Sistine Chapel in this important and timely book.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
