

Book of Harmony: Spirit and Service in the Lutheran Confessions

The Reformation-era writings that make up the Lutheran Confessions remain lively resources for Christian ministry and mission today. Because each of the documents within the Book of Concord was written with a specific context and rhetorical purpose in mind, each has its own compelling story and objectives. Luthers catechisms present the faith for daily life at the grass-roots level, with teaching elements that we might now view as typical of social media and multimedia. The Augsburg Confession and its Apology provide an adaptable foundation for preaching, teaching, church organization, and dialogue that is rooted in the promise of Christ, received through faith. Fifteen years after the Diet of Worms, the Smalcald Articles reveal yet another Here I stand moment for Luther. Finally, the Formula of Concord shows how the next generations of Lutherans used collaboration and consensus as they wrestled with important themes of faith and life. In summary, as these texts engage us with their stories, they invite us to consider what is most important about our journeys of faith and Christian witness in today's twenty-first-century contexts.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
