

## Built Upon a Rock: Financial Self-Reliance in Troubled Times

The financial world is changing rapidly, and biblical scriptures and prophets warn of more economic stormy weather ahead. In the guidebook *Built Upon a Rock*, Brian Horne, a Certified Financial Planner and accountant, relies on his professional experience and spiritual upbringing to provide methods for protecting assets, investing and saving money, and avoiding financial pitfalls. Horne provides sound financial and biblical principles that will help you to understand the importance of achieving financial self-reliance during the tumultuous Last Days; foretold in the scriptures. With an easy-to-follow style, Horne teaches all Christians, both financial novices and experienced investors how to:

Prepare Financially for the Last Days; set up a budget and create a debt-elimination calendar; save and invest your money using Biblical principles; properly invest in real estate or home ownership; invest your IRA and 401(k) wisely; find the proper insurance coverage for Life, Home, Auto...; buy gold and silver...why & when; prevent identity theft; and improve a credit score. *Built Upon a Rock* shares practical advice coupled with spiritual insight that will help the reader distinguish between wants and needs and lead them to achieve peace of mind in uncertain times.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
