

The Legacy of Lochandee (The Lochandee Series) (Volume 2)

Book 2 in a historical romance saga set in the Scottish Borders in the years following World War Two. In the years following the end of the Second World War, life at the Glens of Lochandee is tough. Many families in the village have been bereaved, and rationing is affecting business. Nevertheless, Conan Maxwells new garage is doing well, and he and his Welsh-born partner, Nick, are hoping to expand. But how will their partnership survive their differing ambitions? Conans young sister, Bridie is faced with a dilemma. Is her desire for Nick going to pull her away from her other great passion - her animals and farm? Will they ever be able to marry or afford a home of their own? Old school friend Fiona Sinclair returns from the city, now a successful accountant. How welcoming are the village community going to be especially her old childhood rival, Conan? Rachel Maxwell, Bridies mother, fears for her family and the long-term future of her beloved Glens of Lochandee.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
