

Canon Law and Cloistered Women: Periculoso and Its Commentators, 1298-1545

Pope Boniface VIII published a decree in 1298 that transformed long-standing attitudes toward nuns into universal Church law. Referred to as Periculoso, the decree announced that all nuns were to be perpetually cloistered. This volume provides an in-depth study of the watershed legislation. Elizabeth Makowski surveys precedents for Periculoso as well as some of the problems Boniface VIII hoped to solve with his ruling. She further analyzes the commentary on Periculoso and the attempts to enforce the legislation.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
