

DESTINY BY DESIGN

This book, *Destiny by Design*, begins with the portrait of a world as seen by a curious three year old African American boy. This boy was born at a very difficult time in history, grew up in a toxic world of challenging variables. Yet he clung tenaciously to the belief that lifes episodes can be meaningful when clearly interpreted for the inquisitive mind. King David wrote:

I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread Psalms 37:25 KJV. The author presents living proof that principles, practices, promises and plans, as exercised herein, will work miraculously for you as it has for him. Your destiny is by design. I urge you, Cooperate with the designer. Contrary to some belief systems, no one was predestined to be a failure. Success is: The progressive realization of personal, pre-determined, worthwhile goals. Once a noble goal has been set, any progress toward that goal is measurable success. Our creator declares: I know the thoughts I think toward you, saith the Lord, thoughts of peace and not evil, to give you an expected end. Jer. 29:11 Before I formed you in the belly I knew you Jer. 1:5a. But my God shall supply all your need according to His riches in glory by Christ Jesus. Phil 4:19 KJV. We are not cosmic errors. We are gifted, anointed, commissioned, and Sent to earth to carry out a divine plan. Your Destiny is by Design. *Destiny by Design* does clearly illustrate how purpose is found and how plans for our mission and ministry on earth are joyously carried out. You cant lose with the stuff God use.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
