

The Wayfaring Stranger

Bursting forth from the Louisiana Piney Woods is *Deep Roots*, a collection of short stories from author Curt Iles. In the warm and touching style loved by readers of his previous books, Iles weaves stories of the people, places, and history of rural Louisiana. PLEASE CHANGE TO: In the book that solidified his reputation as a storyteller, Curt Iles released his sixth book, *The Wayfaring Stranger*. Based on family stories of his great-great-great grandparents, Iles fashions the story of Joseph Moore, an Irish stowaway, searching for freedom and peace. Moore ventures to Louisiana's No Mans Land during the turbulent 1850s. While making a new life, he meets Eliza Clark, a young woman with deep roots in the piney woods.

The Wayfaring Stranger is the story of how their lives intersect in the pioneer wilderness of mid-nineteenth century Louisiana. It is a riveting tale that will grip readers from its opening scene to dramatic ending.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
