

Excuse Me... Your Rejection Is Showing

Experiences of rejection can happen at any age, be due to a great variety of causes, and be long lasting in their consequence with vastly different results. It can undermine and break relationships of every kind causing deep emotional suffering. Ultimately, rejection can stop us from fulfilling our calling and potential in life. Ideal for counselors and those being counseled alike, this comprehensive handbook reviews the root causes of rejection, exposing it as one of Satans most insidious forms of oppression and offers some well-tested Biblical principles for spiritual release and wholeness.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
