

Seasons In The Mist (Seasons of Destiny) (Volume 1)

Bethany Lindstrom is well on the way to achieving her career goals as an historian when her trip to Oxford goes badly awry. On an unplanned visit to Cornwall, while wandering around her enigmatic hostess's ancient home, she stumbles through an unseen portal into the fourteenth century. Stranded in 1353, Beth knows she must find a way back to her own time or face a life of falsehood and peril. But with the stern overlord Baron Michael Veryan, she is swept up into the intrigues of King Edwards court, which will test their mettle and their faith to the limits and forever bind their lives together.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
