

Goddess Of Love: Number 5 in series (Goddess Summoning)

International bestselling author P.C. Cast brings us the magical, sensual Goddess Summoning series, which retells ancient myths with a sexy, modern twist - original, enthralling and utterly unputdownable . . . Pea Chamberlain wants some help. Her shoes, hair, clothes, make-up are all disasters and she really needs a makeover - especially if she wants to attract sexy fireman Griffin DeAngelo at the firemens masked ball. And who better to coax Pea out of her pod than the Goddess of Love, whom she invokes when she gets her hands on a book of enchantments. Sure enough, Venus works her magic on Pea, which is what she has been doing for eons - helping others find love. But who will help the Goddess of Love when she finds herself falling head over heels for the same sexy fireman she is trying to land for Pea? Could it be that Venus needs a love makeover herself?

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
