

Evil, Freedom, and the Road to Perfection in Clement of Alexandria (Vigiliae Christianae , Suppl. 43) (Supplements to Vigiliae Christianae)

This study deals with Clement of Alexandria's interpretation of evil and free will in the context of the rising Christianity, the influence of Near Eastern and Greek thought on him, his differences from St. Augustine, and how his interpretation affected the rise of the Eastern Christian thought. The book also treats briefly the subject of man's personal aim in life perceived by Clement as the supersession of his nature. Failure to realize this personal aim in life leads to alienation from God, and death. The moral dilemma of Clement's interpretation of evil as failure of life's aim is not a conventional explanation of good and evil but something much more: the option between real life and death. Consequently, Clement's idea of evil refers to existential problems and ontological realities.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
