

Growth: Isle of the Four Kingdoms (Volume 6)

Three years after the eruption of Half Moon Mountain in the kingdom of Four Peaks, which blanketed over two-thirds of the Isle of the Four Kingdoms with volcanic ash, the Dragon Alliance has assembled on Dragon Mountain for a much-anticipated celebration of the rebirth of the isle. A successful H.E.A.L. (Help Ensure All Live) quest had yielded the provisions needed for the isles inhabitants (both man and creature) survival. And, with the assistance of the guiding spirits and the isles dragons, the ash has been removed and the land re-seeded. The isle is blooming with new growth . . . not only vegetation, but new little ones have been added to the Dragon Alliance families. Prior to the start of the celebration, the Guardian of the Blue Dragons, Princess and Sorceress Laurena (Filly) Mesa is abducted in order to resolve a red dragon crisis. The resolution ultimately leads her and the Dragon Alliance to an encounter with the remaining renegade dragons. Will this encounter embroil them in battle? Meanwhile, on the isle of Oceanedge, King Burton Crater and Queen Eva are invited to join the Dragon Alliance celebration on Dragon Mountain. The political unrest on Oceanedge makes King Burton reluctant to attend, but he yields to his daughters wishes. In his absence, his political rivals lay siege to the royal castle and the surrounding village. Can King Burton count on the Dragon Alliances assistance in his quest to regain control of his kingdom? April 2014 Authors Note: This edition has been updated with references to the main character, Princess and Sorceress Laurena (formerly Toosweet) Filly, as reflected in the revision of Books One, Two, Three, Four, and Five of the Isle of the Four Kingdoms series. Reviewers comments have also been addressed.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured

interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
