

John Sloanes Country Seasons 2013 Weekly Planner Calendar

Each season holds its own unique promise, which it fulfills in countless beautiful ways. Spring dapples the countryside in colorful wildflowers, and summer offers warm breezes enjoyed on a lazy porch swing. Autumn burns brightly in the trees and turns fields to gold, while winter smoothes the hard edges with a layer of brilliant, frosty whiteness. Artist John Sloane celebrates all of the seasons in exquisitely detailed paintings that capture not only their beauty, but also a bygone simplicity of an earlier time. John Sloanes many dedicated fans will be delighted by his 53 paintings specially selected for inclusion in the weekly John Sloanes Country Seasons 2013 Weekly Planner Calendar.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
