

## I Found My Way Home: Washed from a Life of Crime

I FOUND MY HOME: Washed from a Life of Crime is a true testimony of the impact that the Lord Jesus makes in our lives when we accept Him as our Lord and Savior. Ronnie Collins details his life experiences in and out of prison until he realized that the devil was out to destroy him by inspiring him to continue in a life of crime. The Lord Jesus delivered Ronnie from three consecutive life sentences and his story tells us that Jesus does truly make a difference in the lives of men. This book is for anyone who has been led astray by the devil into a life of crime and who now desires a way out. It is also for parents, husbands and wives whose loved ones have been in trouble with the law or who have been in and out of prison. It definitely points to a way out and a way home.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
