

## Manna for Moms: Gods Provision for Your Hair-Raising, Miracle-Filled Mothering Adventure

Many moms struggle with finding time to spend with God. Is it even possible, between diaper changes, carpools, meals, and messes? It is possible, if only moms could connect with their Creator and vacuum cereal out of the car seat at the same time. Megan Breedlove, a stay-at-home mom of five energetic little ones, is convinced it can be done and Manna for Moms is a daily devotional that shows moms how. One of the main ways God speaks to his children is through his calling on their lives. That means that moms have a high calling, indeed! It is possible for moms to hear Gods voice and respond, even as they carry out the daily tasks of mothering their children. Each devotion included in Manna for Moms is encouragement and inspiration to face every hectic day with an open heart, expecting God to reveal Himself in the midst of whatever chaos arises! There are also tips and suggestions for readers to stay alert for Gods teaching in their interactions with their children. Instead of struggling to find time with God, moms can invite Him into every precious moment.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
