

Mary of Oignies: Mother of Salvation (Medieval Women: Texts and Contexts)

Comprises revised editions of three texts formerly published by Peregrina Publishing, but reedited under the supervision of Barbara Newman and Constant Mews, and with supplementary contextual articles on the life and times of Mary Oignies. Introduction, by Anneke Mulder-Bakker; Article, by Brenda Bolton; Jacques de Vitrys Life of Marie dOignies, edited by Margot King (and notes); Supplement to the Life of Marie dOignies by Thomas de Cantimpre, edited by Margot King (and notes); History of the Venerable Church of Blessed Nicholas of Oignies etc. by Marie dOignies, edited by Margot King (and notes); History of the Venerable Church of Blessed Nicholas of Oignies, edited by Hugh Feiss (and notes); Liturgical office for Marie dOignies, by Anneke Mulder-Bakker; Bibliography on Mary of Oignies.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
