

Strong Men In Tough Times Workbk (Majoring in Men: The Curriculum for Men)

A troubled society's moral decay gives opportunity to men of courage, integrity and true manhood to stand strong. Many have lost the meaning of manhood, but a new breed of men is overcoming dangerous philosophies to confront today's tough times and bring hope, dignity and order back to a world in desperate need. Such men are called heroes. Join today's heroes, men who stand strong in tough times. Learn their secrets in this powerful twelve-lesson course that includes: The definition of a hero and how to be one, How to ensure life-long growth and maturity, Which four letters make up the most powerful word on earth, What a man needs to hear from God and Who can be trusted for counsel to name a few.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
