

# My Lifeprint: Because My Life Matters: My Plan for the Financial and Emotional Well-being of My Loved Ones and Causes

Akua Carmichael (LLB, J.D.) is an estate lawyer practicing in the areas of estate planning, administration, and litigation. She advises clients on estate planning as well as executor and trustee duties and beneficiary entitlements. Akua is also a writer and speaker on estate and trust issues. She is married with three children. This concise estate-planning manual and workbook will equip you to create an intentional and lasting legacy your lifeprint. Completion of the workbook exercises will help you: Assemble your dream team to create and implement your estate plan. Design a plan for your will and powers of attorney, tailored to your personal situation. Plan for the care of minors and other special-needs beneficiaries in your life. Identify and determine the right gifts for loved ones and causes.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
