

Broken and Blessed - Womens Bible Study Leader Kit: How God Used One Imperfect Family to Change the World

Broken and Blessed is a six-week study that traces the story of the Genesis family from Adam and Eve through the generations to Joseph, bringing blessing from brokenness. We will see that despite both good and bad traits that were passed down, God worked for good in every generation determined to transform those within and outside the family bloodlines. The study ends with the story of Joseph, who decided to stop the cycle of previous generations, offering forgiveness and grace to his brothers. Through these stories of Genesis, New Testament teaching about family, and stories of contemporary families changed and used by God, this study shows us how God can use our own imperfect families to bring blessing in a hurting and broken world. The Broken and Blessed Kit contains one each of the Leader Guide, Participant Book, DVD, and a Preview Book.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
