

## Organic Church: Growing Faith Where Life Happens

Churches have tried all kinds of ways to attract new and younger members: revised vision statements, hipper worship, contemporary music, livelier sermons, bigger and better auditoriums. But there are still so many people who aren't being reached, who don't want to come to church. And the truth is that attendance at church on Sundays does not necessarily transform lives; God's presence in our hearts is what changes us. Leaders and laypeople everywhere are realizing that they need new and more powerful ways to help them spread God's Word. According to international church starter and pastor Neil Cole, if we want to connect with young people and those who are not coming to church, we must go where people congregate. Cole tells listeners how to plant the seeds of the Kingdom of God in the places where life happens and where culture is formed: restaurants, bars, coffeehouses, parks, locker rooms, and neighborhoods. Organic Church offers a hands-on guide for demystifying this new model of church and shows the practical aspects of implementing it.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
