

Faith That Endures: The Essential Guide to the Persecuted Church

In many underprivileged countries, the church is under constant persecution. Christians everywhere have heard the stories and seen the newscasts. But there are too many who still don't understand. What does persecution really look like up close? And what can we learn from the faithful endurance persecuted Christians so boldly embody? Ronald Boyd-MacMillan, writer-at-large for Open Doors International, has produced the most compelling and comprehensive look at Christian persecution today. With real life stories, he educates readers on the many levels of church persecution, highlights testimonies that have never before been published, and shows what we all can do to remember, reflect, and respond. Compassionate and provocative, Faith That Endures gives readers a path of connection to their persecuted brothers and sisters in a new and vital way, even as it enlightens and encourages us in our local churches and brings us closer to God.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
