

Power of Sisterhood: Women Religious Tell the Story of the Apostolic Visitation

In 2008, the Vatican Congregation for Institutes of Consecrated Life and Societies of Apostolic Life initiated an Apostolic Visitation to examine the quality of life of women religious in the United States. *Power of Sisterhood: Women Religious Tell the Story of the Apostolic Visitation* serves as an historical record of the event and describes the experience of the women who participated in it. This book, initiated by a group of women in leadership in their communities during this unprecedented time, grew out of a survey that gleaned the essence of the experience from as many congregations of women religious as possible. After framing the Visitation as a story, situating it in an historical and theological context, tracing its chronology, and detailing the experience as revealed in the survey, the book delves into the deeper meaning of the Visitation for women religious as they experienced it and as they move into the future.

Abravanel's *World of Torah*, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's *World of Torah: Bereshit* was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's *World of Torah: Shemot Volume I* covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's *World of Torah: Shemot Volume II* concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
