

Reading New Testament Greek: Complete Word Lists and Readers Guide

This is an unrivaled reference work designed to allow the student of New Testament Greek to gain the greatest increase in vocabulary with the least expense of time. It includes every word in the Greek New Testament. Based on the latest editions of U.B.S.4 and Nestle Aland 27 Definitions based on Louw and Nidas Greek English Lexicon Vocabulary occurring ten or more times listed by frequency for easy memorization Complete principal parts for frequent verbs Words organized by parts of speech Nominative and genitive cases for nouns Third declension nouns keyed to paradigms Format optimized for memorization Vocabulary occurring less than ten times listed by New Testament chapter Gospels keyed to Aland Synopsis number Verb shown with attested form Context sensitive definitions Gives a sense of authors distinctive vocabulary for clues to thematic or theological interests Responds to the different skill levels required for mastery of frequent and infrequent words Brief, simplified paradigms for easy reference and review Employs statistics of Vollständige Konkordanz zum griechischen Neuen Testament

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
