

Raging Sea, Searing Sky (The McGann saga)

The North Atlantic, 1915. War has been raging in Europe and it looks to continue for many years to come. Lewis, son of Christina and Joe, known to his friends as Lew, grows from charming adolescent to brave seafarer. At times passionate, at others brave, Lewis is the dashing romantic lead in this tale, which takes in 25 years of his life and his relationship with Brenda Grant, his beloved, and his sister Shirley. He possesses all the McGann trademarks, including a love of the sea. Beginning in 1915 and spanning the tumultuous years of the Great War to the shattering onset of World War II, this is his story. It takes him from London to New York, from Shanghai to Pearl Harbour. Other more exotic characters appear in Lew's life, like the loyal Hashimoto Kurita and Lieutenant Hallstrom, in a wonderful picaresque tale that forms a crucial part in the McGann saga. Will Lew survive these turbulent years? Or will raging seas and passionate romances prove too much for the young McGann? In the tradition of great romantic novels, readers of Austen and Bronte will enjoy the passion felt between characters. Fans of Sebastian Faulks' *Birdsong* will appreciate the scenes set in a wartime environment, as Lew joins up with the British Navy and trains in the North Sea. *Raging Sea, Searing Sky* is the fifth in Christopher Nicole's best-selling *The McGann* saga. Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
