

Redemption Ranch (Love Inspired)

A former foster kid and army soldier, Tyler Lynch doesn't trust easily. In fact, the shy mutt who never leaves his side is his sole confidant. Tyler knows what it's like to be a child in need, so he goes to work at an equine therapy ranch. He's instantly surprised by the way lovely volunteer Beth McClure seems to understand scared children and stubborn cowboys. Beth's tenderness even wins his dog's trust. But when Tyler faces his greatest fear, it'll take Beth's love and one brave boy to open the most guarded of hearts.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in-depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
