

Seize The Adventure: Real-Life Adventure Fused with Spiritual Adrenaline

Mike Tison tells real-life adventure stories that will push your faith to the edge of a cliff, inviting you to take a leap of faith, diving deep into the Living Water below and into a more intimate relationship with Jesus Christ. Life is an adventure. It is a series of exciting experiences and bold undertakings and God wants you to commit with passion to a life filled with hope, freedom, security and adventure!

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
