

## Audition for Murder (Morgan Taylor mysteries Book 1)

The murderers walk from cell to electric chair lacks the raw terror of an auditioning actors walk across an empty stage. Morgan Taylor should know. A Chicago actress experiencing a dry spell between jobs, she desperately needs to land this important role...or her equity insurance will run out. But the elderly actress she was paired with to read that morning doesn't show. And Morgan, forced to read with a monotone stagehand, is sure she's blown the audition. Sick to her stomach, she runs to the small bathroom in the basement of the theater...where she finds the body of the actress with whom she was to read. Morgans family is desperate for her to settle down and marry. Morgan is not speaking to her sister who is going to marry Morgans old boyfriend. Morgans best friend is the prime suspect in the dead actresses murder. And the detective assigned to the case doesn't seem the least put off by Morgans artistic temperament. And so begins Morgans surrealistic journey into the world of murder and Chicago theater at its funniest and finest. Publishers Weekly Even the bit players make notable contributions in Sussmans entertaining and witty romp, which will have readers applauding for an encore. Library Journal A thoroughly satisfying mystery debut. Kirkus Reviews Lively, fully-realized characters, and our heroines vibrant, warm and funny persona[make for] a fresh and entertaining debut. Book list HilariousMorgan Taylor [is] funny, smart-mouthed, totally endearing characterAlthough this is Morgan Taylors first outing, one strongly hopes that Sussman and Avidon will give her an encore.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
