

Tao Mentoring: Cultivate Collaborative Relationships in All Areas of Your Life (Paperback) - Common

Mentoring is one of the most talked-about concepts in business, sports, and education. In a time when corporate downsizing, school cutbacks, and single-parent families threaten to leave us with fewer role models and teachers, mentoring is more vital than ever. As applicable in a boardroom as a living room, Tao Mentoring offers a brief introduction to entering into mutually beneficial learning/teach

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
