

Captive Hearts (Buchanan Saga Book 2)

When Captain Ritcherd Buchanan finally finds Kyrah, the woman he loves, on the other side of the Atlantic, they are still a very long way from the idyllic life that both had dreamed of. In a world turned inside out by war, treachery, and his own deep hatred for the evil Peter Westman, who had married Kyrah under false pretenses and viciously abused her, Ritcherd tumbles into an emotional maelstrom that uproots the anger and bitterness of his callous and aristocratic upbringing. The situation is further complicated by evidence that Captain Garret, his closest and truest friend, has fallen for Kyrah. Through the course of uncovering long-buried secrets, Ritcherd discovers an entirely new perspective on his unique bond with Garret, who has his own score to settle with Peter Westman. In the end, the truth and its consequences are staggering.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
