

## The Checkbook IRA - Why You Want It, Why You Need It: A private conversation with a top retirement tax attorney (Self-Directed Retirement Plans 2)

Unlock a world of investment opportunities and take control of your retirement future with the Checkbook IRA. The financial industry wants you to think you're limited to stocks, mutual funds, and other such instruments offered by the big institutions, but the truth is, there's a whole world of possible alternative investments from real estate to precious metals, from private equity funds to tax liens and with a Checkbook IRA, you can take charge of growing your own wealth, invest in what you know, and understand all from the comfort of a local bank account. The Checkbook IRA, written by tax attorney Adam Bergman, reads like an easy-to-understand conversation between a lawyer and his client, addressing the most popular issues facing a self-directed IRA investor, with a special focus on the Checkbook IRA. This comprehensive guide covers everything from the basic principles of a self-directed IRA to the complexities of retirement tax issues. As you learn how to grow your wealth faster and more securely by diversifying your investments among both traditional and alternative options, you'll quickly realize just how easy and rewarding it is to be the one in charge of your future.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in-depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
