

The Earls Defiant Wallflower: Dukes of War, Book 2

Oliver York returns from war to find his father dead, his finances in arrears, and himself the new Earl of Carlisle. If he doesn't marry an heiress - and fast! - he and his tenants are going to be pitching tents down by the Thames. He definitely shouldn't be trading kisses with a penniless debutante...no matter how captivating she is! Miss Grace Halton is in England just long enough to satisfy the terms of her dowry. But a marriage of convenience isn't as easy as she'd hoped. Back in America, her ailing mother needs medicine only Grace's dowry can afford. Which means the dashing earl she can't get out of her mind is the one man she can't let into her heart.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
