

## Too Hot to Handle (Bad Boys of Baseball Book 2)

Katie Rose's Bad Boys of Baseball series returns for a delicious double-header with the story of total opposites who are drawn to each other like moths to a flame. Nikki Case is no fan of baseball. Her ex gambled away a fortune on the sport, and now her PR firm has tasked her with cleaning up the league's most notorious bad boys. The New Jersey Sonics are known for wild womanizing and booze-fueled brawls, so Nikki expects the worst. Her first stop in the battle to win hearts and minds is star hitter Jake Baldwin, a legendary ladies man so smokin' he threatens to melt her tough-girl armor. Although his teammates prank her without mercy, Jake admires the way Nikki gives as good as she gets. She may be the queen of frost, but there's kindling beneath those sultry curves and he's just the man to ignite it. But when a PR nightmare lands the Sonics in headlines across the country, Nikki is ready to walk. Only then does Jake realize how important she is to the Sonics' success and that winning the love of a good woman is no game. Praise for *Too Hot to Handle* Rose knocks this one out of the park. Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
