

The Maple Leaf and the White Cross: A History of St. John Ambulance and the Most Venerable Order of the Hospital of St. John of Jerusalem in Canada

THE MAPLE LEAF AND THE WHITE CROSS

*A History of St. John Ambulance and the Most Venerable
Order of the Hospital of St. John of Jerusalem in Canada*

CHRISTOPHER MCCREERY

As a foundation of the Order of St. John, St. John Ambulance has been providing first aid training programs in Canada for the past 125 years. From the sweatshops of the Victorian era and military hospitals of the First World War to a modern-day volunteer organization devoted to the service of humanity, this history recounts the remarkable story of the Orders contribution to our country and those who made it possible. With connections to the hospitaller work of the Order of St. John in the tenth and eleventh centuries, the Order of St. John finds its modern roots in the English revival of this charitable work in 1831. The 1883 establishment of the Order of St. John in Canada signalled the beginning of a long and distinguished history of service to Canadians and people around the globe. As a nationwide volunteer organization involving more than 25,000 Canadians, St. John Ambulance continues to be the principal provider of first aid training in Canada.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
