POPE FRANCIS IS COMING TO TOWN. SHOULD I LET STRANGERS STAY IN MY HOME?: WHAT WOULD YOU DO IF EVIL CAME TO YOUR DOORSTEP

God bless Pope Francis and the light that he shines on our world. I hope that his meeting of families will truly be a beautiful thing. Do you know the story of the sheep, the sheepdog and the wolf. Are you prepared for evil if it rears its ugly head on your doorstep. What would you do? Should we open the door for strangers. Do you know what a security breach is. What are your priorities. Is family safety number one. If this book helps one person or prevents one person from being harmed then it was worth writing. How could Pope Francis meeting of families be safer? Let me tell you.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
