

Chassidic Adventure Classic #12: Wellsprings Unleashed! (Chassidic Adventure Classics) (Volume 12)

Great trouble is brewing in the Kingdom of Krystalice. A time bomb has been placed underneath the waters of Shiny Rock, the Capital; if the bomb is not found and diffused in time, the detonation will result in a massive tsunami that will flood the entire city and also awaken an army of the dead. The bomb has been hidden in a secret cave underneath the sea by Captain Calamity, an incredibly wicked supervillain who is working for Prince Abu Jamil of Saudi Arabia. The army of the dead is intended to set sail to Eretz Yisroel to invade and take over. But Prince Abu Jamil is still missing one key to taking control of the army: the Imperial Stone. Only Yanky the Lamplighter can control the Imperial Stone. And only he can save Krystalice and Eretz Yisroel from impending doom. Yanky will have to learn from Kuntres Umaayan, the book of Rabbi Shalom Dovber of Lubavitch, in order to subdue the toxic Winds of Shtus generated by Captain Calamity. The first step in Yankys mission will be to unleash the wellsprings of Chassidus, through applying everything he learns in Chassidus to all that he does.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
