

When Time Falls Still

Professor Charlotte Girardet is focused on one thing - securing tenure at a large, prestigious university. Her career is firmly on track, but her life is complicated by her attraction to rough and rugged security guard Justice Cooper. It isn't only Charlotte's heart in danger, however. Tensions blaze on campus after several students are viciously attacked. Struggling to balance her ambitions and her growing passion, Charlotte takes a leap of faith, and trusts Justice with her deepest secret. But when the assailants' attacks escalate to kidnapping, will Charlotte have the chance to decide between her long-held dreams or a new life with Justice?

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
