

## True Claim (The Sigma Menace Book 3)

Over a century ago, Bennett Young found his mate, a human woman he trusted and was brutally betrayed by. With his one chance at happiness gone, Bennett throws himself into his work. He dreads the inevitable day he turns feral and his partners will be forced to put him down, then a routine mission brings him face-to-face with his worst nightmare. A human mate. Discovering the lovely, but evasive woman is being hunted, Bennett cant bring himself to abandon her, at least not until shes safe. Spencer King has a boys name and lives in the boondocks for a reason. The tall, sexy shifter who showed up on her doorstep was unwelcome and pushy. The mating instinct she feels for him threatens everyone shes worked to keep safe. Realizing the frustrating, brooding Guardian doesnt intend to leave her alone, Spencer has to figure out if she can trust him, and to decide stay and fight, or run for her life?

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
