

## When its All Said and Done Im Still Standing: A Woman Overcoming Her Abusive Relationship

Deja, a naive country girl who had put her trust in a cool smooth very manipulating guy who pretended to a prophet and a man of God, but all alone he had hidden motives for Deja by demeaning her, breaking her faith, tearing down her security and making her feel like she was worthless to anyone or anybody, even God. But it wasn't until the raft of God shifted and all his mercy and love and his change of commitments to Deja had to be fulfilled by God because in God's word he said never would he leave you nor forsake you and he would be a very present help in a time of trouble, so please sit back and read while God and Deja unfold their promises and commitments to each other.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
