

On Wisconsin!: The History of Badger Athletics

These unique and easy-to-read vignettes about Badger lore include the football exploits of Pat ODea and Alan The Horse Ameche; the basketball heroics of Wisconsin's 1941 national championship team; and the thrills generated by Badger greats Suzy Favor, Pat Richter, Michael Finley, Mark Johnson, Scott Lamphear, and many more. Includes a complete listing of Wisconsin's nearly 10,000 letter winners and a detailed history of coaches and administrators behind the scenes.

Abravanel's World of Torah, upon completion, will comprise a multi-volume set of Don Yitzchak Abravanel's commentary to the Five Books of Moses. This series is not a linear translation but rather a methodical, structured interpretation of Abravanel's commentary. It is designed to be read and studied independently or can be used as an excellent guide and helpful companion to the Hebrew original.

Abravanel's World of Torah: Bereshit was originally published by Torah Renaissance Press in 2012. This was followed by a Second Printing (2nd Ed.) in 2013 and a Third Printing in 2014.

Abravanel's World of Torah: Shemot Volume I covers the first six parshiyot in Sefer Shemot. This volume features a systematic translation of Abravanel's classic commentary beginning with Parashat Shemot until the end of Parashat Mishpatim, plus much more.

Abravanel's World of Torah: Shemot Volume II concludes Sefer Shemot. It features an in depth analysis of the Mishkan (Tabernacle), the Thirteen Attributes, and much more.

Vayikra is due out in the Spring of 2017.
